Mr. James Guilmynott

DEDICATION

Many people will tell you that the school was his life, and his life was the school. Such dedication is a rare find, but it could be found in abundance in the classroom of Mr. James Guilmynott.

Mr. Guilmynott, known to most of us as "Mr. Guilly," has been associated with the Texas School for the Deaf in many ways for over 46 years.

Quite different from it is today, the school was segregated into separate campuses for white and black children. James entered the Deaf, Blind and Orphan School as a youngster with failing sight in 1931. He received his diploma in 1937, and after working two years, returned to the school to teach.

He taught for 25 years at the Deaf, Blind and Orphan School in the Blind Department and transferred to TSD in 1964. He has taught countless young people the arts of broom and mattress making and upholstery in the past 38 years.

His eagerness to learn every trade and skill that was offered when he was in school, has grown to an enthusiasm that has inspired many students to become interested in a new trade or skill of their own. His patience and understanding with students learning a difficult technique and his encouragement to never leave a project unended, goes beyond the trade he teaches to encompass a philosophy of life that all who know him will carry with them.

It is with reluctance now that we bid farewell to our dedicated teacher, Mr. Guilly, but our wishes for his future are only for the best.

VICKY VOGEL

VICKY

Vicky . . .
Why did you go?
You left behind a lot of friends
Friends whose friendship never ends.

Vicky . . .
No substitute we can find
To replace the empty ache
That lingers in our hearts for you.
We know you will never come back.

Vicky . . .
We will remember your smile
Your laughter and your tears
We will think of you every once in awhile
And we will always love you.

Kathy Glasco
February 20, 1977

Vicky Vogel came to TSD in 1972 and quickly embraced the TSD spirit with as much enthusiasm as one person could. Involved to her fullest capacity in many activities, Vicky gave of her time and self, and then gave some more.

Her bubbling enthusiasm was most apparent as she spurred the Rangers to victory as a TSD cheerleader the past two years. Not even the cold, rainy Friday night football games could dampen her spirit.

Not only a fine athlete, but a splendid example of good sportsmanship, Vicky was a constant encouragement to those around her. She could easily coax herself and others beyond limits which previously bound them, whether it be making a small child laugh through his tears or always trying for that extra inch in competitive sports.

Brimming with emotion, her radiant blue eyes told a story with every move, whether on stage with the L.L.S. or in quiet conversation with friends.

TSD was also swift to embrace Vicky in its loving arms and it is in sorrow now that we let her go.
